

Anyone for Tennis?

Kings Sutton Tennis Club is recruiting new members for the forthcoming year – all are welcome, whatever standard or age.

For the more competitive players, the club fields several ladies, mens and mixed teams in the Oxfordshire and Banbury Town Leagues. There are also plenty of opportunities for social tennis throughout the season with weekly club sessions and friendly tournaments.

Coaching is available on a regular basis for juniors and by arrangement for adults.

This is an ideal game to take up if you want fresh air, fitness and fun.
