To: Miller, Rebecca <RMiller@kierwsp.co.uk>

Good afternoon.

I would like to update you on the progress of A422 Farthinghoe works and the timescales to reopen the carriageway. All works will be completed by close of play today and demobilisation will be completed by close of play tomorrow.

Our traffic management contractors are programmed to attend site from 20.00hrs Thursday 20th December to begin the removal of the closure and the road will be fully open by midnight.

Our team would like to thank everyone for their patience and cooperation during these works. We never take closing a road lightly and realise the disruption this emergency closure created and are delighted to be opening before Christmas, as scheduled.

I would personally like to take this opportunity to wish you all a Merry Christmas and I hope you have a lovely New Year.

In accordance to GDPR your data will not be held now the works are complete and will not be used by any third parties.

Kind regards,

Rebecca.
