

# THE FARTHINGHOE CHRONICLE

*Village news, notices and events....*

Hello, we are the Communication Ambassadors from Farthinghoe Primary School and we would like to tell you a bit about this amazing school.

The topic that the whole school will be looking at this term is 'Dinosaurs and Fossils'.

EYFS and Key Stage 1 have enjoyed reading 'Harry and the Bucketful of Dinosaurs' series of books and used them for inspiration for their literacy lessons. The children have written their own short story adventures for Harry. Creatively they have been busy making a dinosaur cave where they may find a dinosaur at the end of their dinosaur hunt...

Key Stage 2 have enjoyed the start of the topic and completed some stunning charcoal pictures of fossils. We have also completed a timeline showing the different plants and creatures that were around during the different periods. We are also continuing to enjoy our weekly swimming lessons at Brackley Pool and Years 3, 4 and 5 are all learning to play the clarinet.

Farthinghoe School has some budding palaeontologists in the making with us having the opportunity to excavate some model dinosaurs from plaster of paris.

Everyone at Farthinghoe School would like to thank you for your continued interest and support and hope that you all have a happy new year.

Lottie, Pippa and Amelie

## RECTOR'S LETTER – FEBRUARY 2017

Last month we looked back to give thanks for the past year and to look forward to the year to come and reflect on what God might be asking of us. At the Midnight Service Shemil, our Curate, shared the news that for him the future was in his new appointment as Chaplain at Oxford Brooke University. This means he will be leaving us on 12 March, earlier than anticipated, but we pray that God will bless him in this new service. More details of Shemil's leaving will appear in next month's newsletters.

For the parishes, life will go on much as usual. In March we will start our preparations for Easter with our Lenten observances. Lent has traditionally been a time of self-examination, prayer and preparation. In our parishes we will be holding our Lent Cuppa and Chat or Bible study groups, where we explore, share and encourage each other in our faith. These groups are for everybody, you cannot know too much or too little, you don't have to have come before or to know your bible, everybody will find a warm welcome. If you have any questions this is a place to start looking for answers.

As part of my preparation I have been given a book called *Dethroning Mammon* written by the Archbishop of Canterbury, Justin Welby. I haven't read it all yet, but the first couple of chapters have already started to raise a few questions. In the book Justin, who had a career in industry, reflects on the role that money and wealth has on our world images. He reflects that we give value only to those things that we can see. One of the phrases that struck me was a quote from Archbishop Helder Camara who said, "when I feed the poor they call me a saint; when I ask why they are poor, they call me a Communist". The quote reflects the difference between the seen and unseen. Justin reflects that we need to see the world through Jesus' eyes to value people and.

Justin then goes on to suggest that we value what we can measure. That if we can measure a person's wealth, then we value them, and furthermore he suggests that what we can measure then can control us. He looks at the power of economics and our financial system, and the way that our lives become controlled by it. Inflation, depression, sales figures, profit, loss, living wage, interest rates, the best deals, Martin's bargains... This can be quite a challenging thought and certainly gives me something to think about.

This is also the time of year when we begin to think about the structure of the church, namely the PCC or Parochial Church Council. These are elected members of the church congregations who have a role in running the church with the Church Wardens. PCC members serve for three years and Church Wardens are elected on an annual basis. For the correct running of the church these structures need 2 Church Wardens and six PCC members. The members will be elected in March and April, but now is a good time to think who do you want to represent you in the coming year, or maybe could you be the representative for others? What value do we put on service, or those who have served us? And, importantly what value do you put on serving others?

God Bless you all, Revd Simon Dommett

In January, the parish council submits its application for the precept for the 2017-2018 financial year. The councillors have been considering the draft budget at the last two meetings, looking at expenditure for the current financial year and calculating the funds needed to maintain the parish going forward.

Last year saw a not-insignificant increase to the precept, which was referenced in the Chairman's report at the Annual Parish Meeting. This year, the councillors have elected that the precept request should remain at £7,150, which means that we are pleased to report the parish council element of your council tax will not be increased for the next financial year.

Whilst this is clearly good news, it is anticipated that inflationary increases in future financial years may well be necessary, particularly if improvements to street lighting and other areas within the village are to be instigated.

After an incredible amount of time and tenacious pursuing by Councillor John Grant, the speed restrictions are now in place on New Road and Clarks Lane. This will hopefully make access to the village playpark a great deal safer for the children and their parents. Our thanks go to Councillor Grant for all he has done to make this happen.

John is now turning his attention to similar speed issues along the Cockley Road, in particular past the school and the village hall. In December, he was joined in the village by Helen Howard of Highways to look at the problem. Helen made some initial suggestions, which she was taking back as considerations and John will remain in contact to push for a solution.

Parking in the village remains high on the council's priorities and will form a standing agenda item going forward. Leaflets with recommendations on considerate parking will shortly be hitting all doorsteps and the councillors appeal to you all to take heed of the advice and make our roads and access around the village as safe as possible.

The next Parish Council meeting will be Wednesday, 8<sup>th</sup> February 2017 at 7.00pm in the Beasley Room at the Village Hall. Public time will be from 7.00pm to 7.15pm.

## VILLAGE HALL NEWS

The Committee is looking to improve the Hall so that it is a facility the Village wants to use. Our most ambitious project is to provide a large storage area at the bar end of the room which will continue across the whole width of the room. The present bar - a real 1960's icon, will be demolished and a pop up bar be built at the far end, away from the front door.

**So how will we achieve this?** Dave-Handy Hancock has volunteered to lead on this - his labour will be free. Ryan Jones has also volunteered his labour. Any volunteers from the village will be very much appreciated, so we can get the job done as quickly as possible.

If you have carpentry skills, fabulous! Otherwise, just the willingness to help out sometimes will be fantastic. (Dave is currently rebuilding our bathroom and you need his Handy Hancock time in the village - so the sooner we get this done, the better!)

**Please contact Dave on [dave.hancock7@gmail.com](mailto:dave.hancock7@gmail.com) or tel 01295 711345**

**To pay for the materials, we are giving the 150 Club a big revival.**

Numbers participating had dwindled recently. This is a win-win for both members and the village hall. For £12 a year per person, numbers are entered into a monthly draw. The first number drawn wins £25 and the next two, £10 each. The money will be brought round to you in cash, by Stephen Bunce, our treasurer. What's to lose!!

If you haven't yet been approached to renew your number or become a new member, then please contact either Diane Jones on 07526588755 or Wendy Hancock on [wendy.gainford@gmail.com](mailto:wendy.gainford@gmail.com) or 01295 711345

### **January 150 Club Winners**

£25 - Sue Abbis -Stubbs

£10 - Paul Hunter

£10 - Bob Osborne

The Committee has plenty of other events planned for 2017 – and opportunities for people to get involved – so watch this space over the coming months!

### Ivy Healey

Mrs Ivy Healey, who lived in Farthinghoe for many years, passed away peacefully at Evelyn Wright House, Daventry, on Thursday 19 January 2017. The funeral will take place on Tuesday 7 February at 1.15pm at The Counties Crematorium, Towcester Road, Milton Malsor, NN4 9RN

Rest in Peace.

## FARTHINGHOE PRIMARY SCHOOL

Farthinghoe School is looking for a volunteer to join the Governing Body. School governors bring perspectives from ordinary life and work with the staff and the local authority to help secure the best possible education for the children in our school. They carry out a number of duties including managing the budget and monitoring the school's aims and policies. If you would like to know more, please telephone us on 01295 710406

In the UK alone, there are over 21,000 women who are sadly given the news that they've been diagnosed with a form of gynaecological cancer. This equates to 55 women being diagnosed, and sadly, 21 women losing their battle each day. The Eve appeal funds ground breaking gynaecological cancer research focused on developing effective methods of prediction, detection, treatment and cure that will help save women's lives.

Look forward to welcoming you on the day

## COMPOST CORNER – FEBRUARY

I have been perplexed recently by the thought that possibly I had slipped into a 6 month time warp when I heard on the news that there was great panic sweeping the land because of a shortage of courgettes. What? Courgettes

in demand in January? Has the world gone mad? Who in their right mind would pine for that icon of summer provenance when the temperatures outside are barely creeping above zero? Is everyone so insulated in their overheated homes that the thought of a rich warm stew, thick with root vegetables, makes them break out into a sweat and reach for the iceberg lettuce?

However, it allowed me to feel very smug as I picked my curly kale leaves, lifted my leeks, and dug for parsnips and Jerusalem artichokes on the allotment while the supermarkets were grovelling their apologies for failing to source, from hundreds of miles away, some out-of-season, artificially forced, tasteless, watery and anaemic salad vegetables.

You, too, could be as smug as I was; there are a few allotment plots vacant at the moment so you need never have to rely on the supermarkets again. Just ask Ruth Dashwood or Arthur, or anyone to pass on the message to them, and a plot can be yours for the princely sum of £12 per year. You can then have as many courgettes as you want (in fact, I think they only come in gluts) but **ONLY IN THE SUMMER!**

Mrs. Trellis
