**Subject:** A422 bridge update

Good morning.

You are receiving this information as you are on the update email list for the A422 Farthinghoe bridge.

Northamptonshire Highways have started works on the repair of the Farthinghoe bridge today and will be looking to reopen the A422 in four weeks. Some of the works are weather dependant and may be delayed should there be very wet or cold conditions. We will keep you updated on progress.

Thank you for your patience. We all realise how difficult and inconvenient this closure has been.

Please feel free to share this and encourage people to join the mailing list by just emailing me - [rmiller@kierwsp.co.uk](mailto:rmiller@kierwsp.co.uk)

If you do not wish to receive information please let me know and I will remove you from the mailing list.

Information is also on this factsheet on the Northamptonshire County Council website. [Factsheet](#)

Kind regards.

Rebecca.
