ITEM		ACTION
04/24/435	<b>To receive and approve apologies for absence.</b> Cllr James Harrison (JH), Cllr Barry Willett (BW) sent apologies	
04/24/436	To receive declarations of interest under the Council's Code of Conduct related to business on the agenda. (Members should disclose any interests in the business to be transacted and are reminded that the disclosure of a Disclosable Pecuniary Interest will require that the member withdraws from the meeting room during the transaction of that item of business.) None declared	0
04/24/437	<b>Public participation session</b> (members of the public are invited to address the council. The session will last for a maximum of 15 minutes with any individual contribution lasting a maximum of 3 minutes. Members of the public should address their representations through the chairman of the meeting). No parishioners were present	
04/24/438	<b>WNC Councillors Q&amp;A</b> No councillors were present and no report had been sent.	
04/24/439	Bypass update Cllrs Morris and Grant had held a meeting with Dame Andrea Leadsom MP. At it they tried to express their frustration with WNC and the lack of communication from them and their failure to acknowledge their flawed BCR regarding the Bypass. The MP responded with comments: The problem is a local councillor one not hers and she can't help. Her office feel they are being bombarded with details from FPC and it is not needed. WNC have the right to make decisions without responding to FPC. The announcement there will not be a bypass was made by Cllr Phil Larratt on local radio, this is perfectly acceptable to do so without addressing FPC's clear misgivings. The BCR assessment is correct and properly completed. She had no comment to make about the detail of the misgivings raised FPC . She had no knowledge of the progress to assess the suitability for a weight limit in the village but was concerned that re- routing HGVs might upset others on the diversion route. She felt the compulsory purchase of some houses to straighten out the pinch point was a cheaper and quicker solution to the village traffic issues. "Some" houses was never quantified.	

	1	· · · · · · · · · · · · · · · · · · ·
	When this was pointed out as not acceptable to FPC as it would	
	merely mean more traffic travelling at greater speed through	
	the village the response was it would resolve the pinch point	
	issue and bring us into line with 77 other villages that feel they	
	have traffic travelling at too high a speed in South Northants.	
	Should FPC wish to make a complaint against any councillor or	
	officer over the manner in which they have dealt with us we	
	should present a case to WNC legal services.	
04/24/440	To receive and approve for signature the minutes of the	
- , , -	meeting held on 13 March 2024

	agenda.	
	The parishioner who has an interest in the village sign will	
	attend the APM to discuss.	
	Further questions raised about the option to take on grass	
	cutting from WNC remain unanswered. It was <b>resolved</b> the	DU
	clerk to chase WNC again.	DW
