Playpark Bark Distribution

On Saturday 20th April, 2024, a small band of Villagers, gave up their time and energy to assist with the laying of safety bark in the Playpark. This is provided to protect children, as much as we possibly can, who may fall from the swings and climbing frames.

On behalf of Farthinghoe Parish Council we would very much like to thank all those that supported our efforts to retain the quality and safety of our Village Playpark.

Our many thanks.

Marjorie Morris**Email - bookings@farthinghoevillagehall.org****Tel. - 07900 590808****A MESSAGE OF THANKS**

I would like to say how much I, and many others in the village, appreciate the hard work Marjorie Morris puts in to making the Village Hall a popular venue for many classes and social events, etc. which take place there. We are very grateful.

Val Walker**HISTORY ON OUR DOORSTEP**

Sulgrave Manor is a 16th century Tudor Hall House, built by Lawrence Washington the great great great grandfather of George Washington, first President of the United States of America. The family history of the Washingtons is undoubtedly incredibly interesting; but the Manor and its story through the ages proves equally fascinating. A visit to Sulgrave Manor will take you on a journey from the 16th century up to the present day,

and exploring this beautifully restored home is an experience to savour. As is a wander around the exquisite gardens – on a fine day ! Or just sit and muse, and enjoy not only the gardens but the stunning scenery that surrounds the Manor.

The mix of American – (with the George Washington room a must to visit) and English history makes for an absorbing and entertaining day out with something for everyone. Along with good coffee, tea, and delicious cakes on offer the day will become even more gratifying.

I would highly recommend a trip to nearby Sulgrave Manor if you haven't yet visited; it is truly worthwhile taking time out to make this short journey and I am sure you won't be disappointed.
